(1) 107 pavel kuznetsov on jap election results: analyzes reasons
for defeat of this pro-american party explaining like reagan,
nakasone came to power in atmosphere of uncertainty as to which line
to follow in foreign policy, and that like reagan, he chose one
that made milit spending one of top priorities. nakasone pledged
to turn japan into unsinkable aircraft carrier. all this could
hardly pass unnoticed among japanese, who will never forget atom
bombings of hiroshima and nagasaki in 1945. (engna 2300) US
